

CONVENE™

Virtual Conferencing

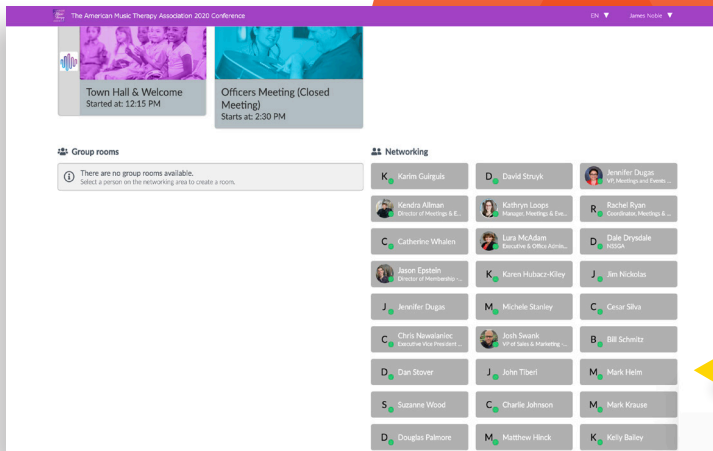

The AMTA 2020 Conference is Going Virtual!

Here's a sneak peek at what to expect.

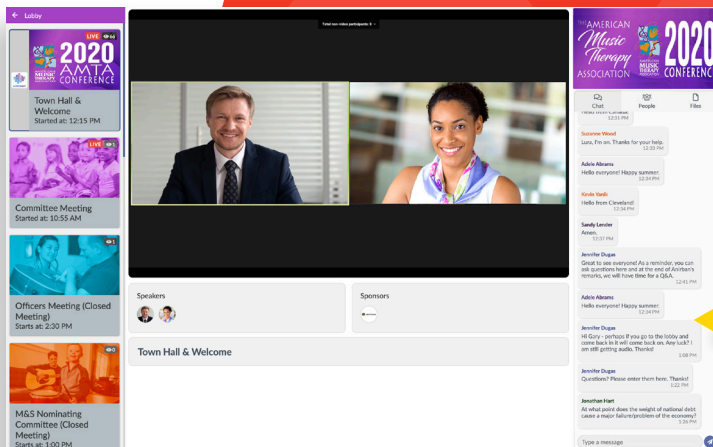

Virtual Lobby

The conference begins in the virtual lobby. Attendees are greeted with key event branding and session information.

Networking

See who is also at the conference and if they are currently in a session. Invite attendees to chat privately, or start a group room that anyone to join.

Session Live Chat

During each presentation attendees can chat live, make comments and ask questions in real time.

CONVENE™

Virtual Conferencing

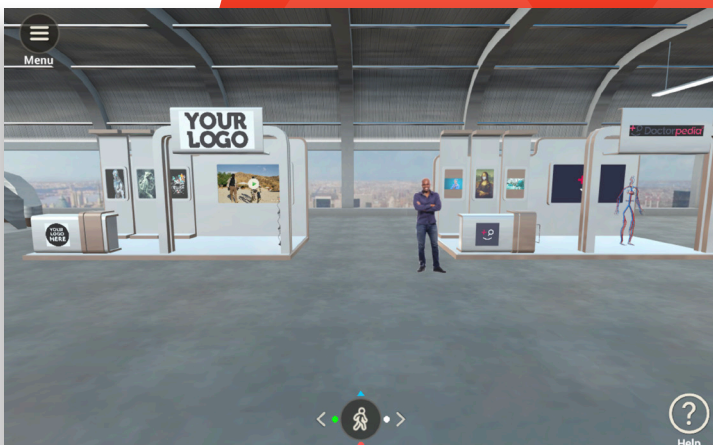

Virtual Expo Hall

The exhibit floor is open!

Upon entering the expo hall, attendees are greeted with a full menu of exhibits. With a simple click they can navigate the expo floor.

Throughout the conference attendees can enter booths, interact with exhibitor content, and chat with exhibitors in real time.

Automatic lead capture ensures that exhibitors can make critical business contacts in the virtual exhibit hall.
