## DONATION TO AMTA

In 1950, E. Thayer Gaston and a small group of professionals formed a new profession, dedicated to using music to meet the physical, emotional, cognitive, and social needs of persons with disabilities or illnesses and to improve the quality of life of individuals of all ages. The American Music Therapy Association is committed to further those goals as we move into the future. Help support AMTA's mission: *to advance public awareness of the benefits of music therapy and to increase access to quality music therapy services in a rapidly changing world* with your donation.
