Conference by the Numbers

AMTA is excited to welcome the music therapy community to our 2021 Virtual Annual Conference. Expanding on last year's experience, we've added new networking features, increased the number of sessions, worked to improve accessibility features and provided more registration discount opportunities to create a top of the mark experience all can appreciate. Your conference registration includes:

120+ Concurrent Educational Sessions

50+ Research Posters and Sessions

Discover current and new areas of research; find how the research relates to your practice.

23 Add-on Sessions for Even More CMTE Opportunities

10+ Special Sessions

Special sessions on social justice, trauma, resilience, global perspectives, and more!

7+ Networking Events

- AMTAS Passages Event for Students with educational sessions designed just for students
- Internship Fair
- Clinical Practice Networking Sessions
- Drum Circle
- Affinity Groups
- Latin American Music Therapy Dance Party
- Pop-up Networking Chats You Design

6 Months Access to Recorded Sessions in the Virtual Vault

Access all available 2021 virtual conference content when convenient for you; no missing out on competing sessions like in-person conferences. View every single session if you wish!
