

Back to School

Audra Eletto, MT-BC, LCAT

We're going back to school, and some things are gonna be different
We're going back to school, and some things are gonna be the same

We're going to see our teachers, but they might be wearing a mask (us too!)
We're still going to have lots of fun, but there might be many many rules

Like sitting 6 feet apart, or sometimes remote learning from home
We won't give our friends a hug, even if we want to really really give one

And this might leave me feeling sad, and that's ok
Change can be hard and sometimes gets us feeling this way...but it's gonna be ok!

We're going back to school, and some things are gonna be different
We're going back to school, and some things are gonna be the same

We're gonna wash our hands when our teacher says, and we'll sanitize
We're gonna sneeze and cough into our elbow, so the germs don't flip and fly

We'll still be kind to our friends from a distance, we'll smile and wave to show we care
We're still going to eat our lunch, but this time we won't share

And this might leave me feeling sad, and that's ok
Change can be hard and sometimes gets us feeling this way...but it's gonna be ok!

We're going back to school, and some things are gonna be different
We're going back to school, and we will be so glad that we went!
