

# WEAR YOUR MASK

Gail Healy, MT-BC

1) Wear your mask to keep you healthy  
Wear your mask so you don't get sick  
Wear your mask to help others  
Don't spread germs  
A mask will do the trick

CHORUS: It may be kind of itchy  
And feel like you can't breathe  
But I can hear you talking  
And you can even sneeze

2) Keep it on in the community  
Keep it on to show you care  
Keep it on till COVID goes away  
Wear your mask with fashion flair

CHORUS

3) I still see that you're smiling  
I can see it in your eyes  
It doesn't change who you are  
So give it a few more tries

(Bridge)  
I wear it hangin' with my friends  
It's the right thing to do  
Wear it shopping, library, YMCA  
And even to the zoo!  
We all need to wear a mask  
So you are not alone  
Keep it on in the community  
When you are not at home  
SO...

VERSE 1

CHORUS

(Spoken)  
Wear your mask,  
Keep it on, keep it on, keep it on.  
You can do it, keep it on...  
A little longer, keep it on...  
Till you get home, keep it on...  
Wear your mask!
