

## "He's Got This"

G C  
I'm stuck at home, Don't know what to do

So I write this song ,to show I care for you

Wishin' I could hold your hand

And sing to you that it's okay; God understands

G D Em  
He's got this, He knows our needs  
G C D  
He fills us with just what we need

Look for His love, He's got you

### **Verse 2:**

It is unknown, we cannot see  
G C D  
Why this strange thing is happening

You got your care-givers; They got your back

And God Almighty Rock : He stands
