

You Need A Face Mask

- 1 Where do you want to go?
Where do you want to go?
You need a face mask!
Where do you want to go?
Where do you want to go?
You need a face mask!

- 2 Some places have rules
to go inside.
To shop or play
you need to hide
your nose and mouth
under a mask.
How do you put it on?
I'm glad that you asked.

- 3 First clean your hands.
Then put the straps around your ears.
Cover your nose and mouth.
And now you can go in here.

2 A mask will protect you
from getting a disease
when other people cough,
when other people sneeze.
You probably want to wear one
starting right now.
