

Job that Needs to Be Done

Lyrics and music by: Brooke Moeller, MT-BC

Verse 1

F
I did not ask for this battle
Bb
I did not start this war
Gm
Don't know if I
C
Can give anymore

F
But I took an oath
Bb
I made a vow
Gm
To lift others up
C
When they are down

Pre-Chorus

Gm
So I face each day
C
And raise up my chin
Gm
Toward what's to come
C
And not what has been

Chorus

F
I'm ready to fight
Bb
I'm ready to win
Gm
When others give up
C
I will not give in
F
I try to be brave
Bb
And when I am called
Gm C
I do not run
F
It's a job that needs to be done

Verse 2

F
I'll take the punches
Bb
I'll go back until
Gm
I can clean up this mess
C
Cause I don't know who else will

F
I roll up my sleeves
Bb
Look evil in the eye
Gm
I won't be perfect
C
But I'll give it my best try

(Pre-Chorus and Chorus)

Bridge

F
I believe in love
Bb
I believe in faith
Gm
I believe in saving
C
The whole human race

(Pre-Chorus and Chorus)
