

Welcome to the Professional World!

Welcome to the Professional World packets are a resource offered to current music therapy interns who have reached the mid-point (at least 3 months) of their internship. These packets are designed to help make the transition from student to professional and are filled with information from AMTA, resources and tips for the new professional, and valuable coupons for the first year(s) of your career as a professional music therapist.

Current music therapy interns at the mid-point of their internship can each receive one complimentary packet from AMTA. We're sorry, but duplicate packets cannot be sent. You must be a current music therapy intern at an approved site and in the third month or later of your internship to receive this packet

If you qualify and would like to receive this packet, please complete this form and email it to:

AMTA
Attn: Jennifer McAfee
