All I need to know, oh doctor please! How long will it take until they see, that it's

Am⁷ D G F#/G Em C D Em
not a shot or a pill we really need? Oh no but simple love and kindness is the vaccine.

VERSE 2

Em Am⁷ B⁷
We were told by them "there's nothing to fear."

Em Am⁷ B⁷
Just wash your hands, wear a mask, and stay home, my dear.

Am⁷ Bm Am⁷ Bm

But people didn't listen! Good advice was ignored. They

let you spread all over – because they were bored.

VERSE 3

The pain and loss for me is too much to bear.

Em Am⁷ B⁷

Why this had to happen – it's just not fair. Has

anyone learned from this how to inoculate

against a virus, stupidity, lies and hate?

FINAL ENDING
